## PRIVATE PLACEMENT AND ISSUE OF NEW SHARES

---

Shareholders of ACES Renewables and the general public are referred to (1) the communique released by the Company on 30 October 2024 whereby it was announced that the Listing Executive Committee of the Stock Exchange of Mauritius ("SEM") had approved the issue and listing of up to 35,000,000 new ordinary shares of ACES Renewables on the Official Market of the SEM by way of private placement and/or consideration issue; and (2) the revised Listing Particulars issued by the Company on 30 October 2024.

Shareholders and the general public are hereby informed that the Company has recently placed 686,309 new ordinary shares with targeted investors ("**new shares**") at a price of USD 0.84 per share, thereby raising around USD 577,000. The proceeds from this private placement will be used by the Company to invest and develop new projects in South Africa and also partly as working capital.

The new shares shall be issued on Thursday, 21 November 2024 and they are expected to list and trade on the Official Market of the SEM as from commencement of trade on Thursday, 21 November 2024. The new shares will rank pari passu in all respects with existing shares in issue.

Following the issue of the new shares, the Company shall have a total of 31,763,853 shares in issue.

By order of the Board
